

# Design for HSR Stations Revealed

PETALING JAYA (Oct 17): MyHSR Corporation (MyHSR Corp) has revealed the architectural concept designs for all seven stations for the Kuala Lumpur – Singapore High Speed Rail (KL-SG HSR) in Malaysia at the “MyStations — Transforming Malaysia” event today.

The seven stations are located in Bandar Malaysia, Bangi-Putrajaya, Seremban, Melaka, Muar, Batu Pahat and Iskandar Puteri.

The stations were officially unveiled by Prime Minister Datuk Seri Najib Tun Razak.

Najib said during the event that extensive research and substantial efforts were put into each of the HSR stations in Malaysia, with the designs highlighting each city’s unique elements, Bernama reported. [Read more....](#)
