

Why Le Nouvel KLCC in Kuala Lumpur is the Ideal Second Home?

With its striking facade fusing sleek glass, lush greenery and abundant natural light, Le Nouvel KLCC by Wing Tai Asia is the newest upscale development within the prestigious Jalan Ampang district in Kuala Lumpur.

Sitting on premium real estate, Le Nouvel KLCC faces the Petronas Twin Towers and the Suria KLCC shopping centre, and is well-situated amid other high-end shopping centres, top hotels and corporate offices. The RapidKL LRT is right at its doorstep, and the development is linked to the newly opened MRT and the upcoming Singapore-Kuala Lumpur high-speed rail, making it a convenient address for a second home within the region.
